

Large Format Colour Posters

as low as **\$6⁰⁰** per sq. ft.

POSTERS Printed, Laminated & Mounted –
as low as **\$12.50** per sq. ft.

With our large format colour output (42" wide by virtually any length) we can provide stunning colour reproductions. The high resolution gives smooth tonal transitions and a quality finish.

Posters, proofs, point of purchase displays are just a few of the many uses for this product.

UV Fade Resistant Inks!

REMEMBER

Always . . .

CHECK YOUR FILM CAREFULLY!

Check for size, wrong typefaces, missing elements, (logos, illustrations & graphics). Look for jagged type & illustrations, improper screen frequencies, colour breaks & spelling.

Strange and wonderful things haunt the Postscript Imaging World . . .

IT'S YOUR RESPONSIBILITY TO CHECK!

WE OFFER...

- **FILM IMAGING MAC OR PC**
Krohnert Graphics Limited has been supplying the print industry with quality products since 1970. Our Herkules drum imagesetter driven by the Delta Rip system with irrational (I.S.) screening combine to make our system one of the most accurate imaging systems. *All film imaged on our Herkules Imagesetting system is imaged at a resolution of at least 2540 lines per inch.*

Card Stock	+.05	+.08	+.10

Minimum charges will apply.

Minimum Charge \$20.00

Remember Prices are based on clean, problem-free, ready to print files.

Any problems, such as missing fonts, postscript errors, images not converted to CMYK, etc. will involve extra charges.

All invoices are C.O.D. until credit approval. Terms are net 15 days. 2% interest will be applied as a penalty on all accounts over 30 days. Our liability for error and omissions on jobs is limited to the repair and re-imaging of film involved to a maximum of the invoiced amount. We will assume no responsibility for any delays caused by forces beyond our control, including illness, and equipment failure, delivery delays etc. It is the customers responsibility to check and approve all film, proofs etc. All process film should have a colour overlay or laminate proof and spot colour film should at least have a dylux proof. **Although we make every effort to insure trouble free film, it is the customers responsibility to check the accuracy and content of each piece of film. Some problems can only be spotted on proofs from the film. Taking film to plate or printing indicates the customer has confirmed the accuracy of the film and accepts complete responsibility and liability for any inaccuracies.**

NEVER ASSUME! This is the Postscript World!!
